

A detailed, painterly illustration of a fantastical cityscape. The scene is dominated by tall, ornate buildings with intricate architectural details, including spires, domes, and decorative facades. The color palette is rich and slightly muted, featuring deep blues, greys, and earthy tones. In the foreground, a large, circular, mechanical-looking structure with gears and a clock face is visible on the right. To its left, a building features a large, ornate clock face. In the background, a tall, slender tower with a circular top and a small, dark, winged figure flying nearby are visible. The sky is a deep blue with soft, white clouds. The overall atmosphere is one of a bustling, magical, and technologically advanced world.

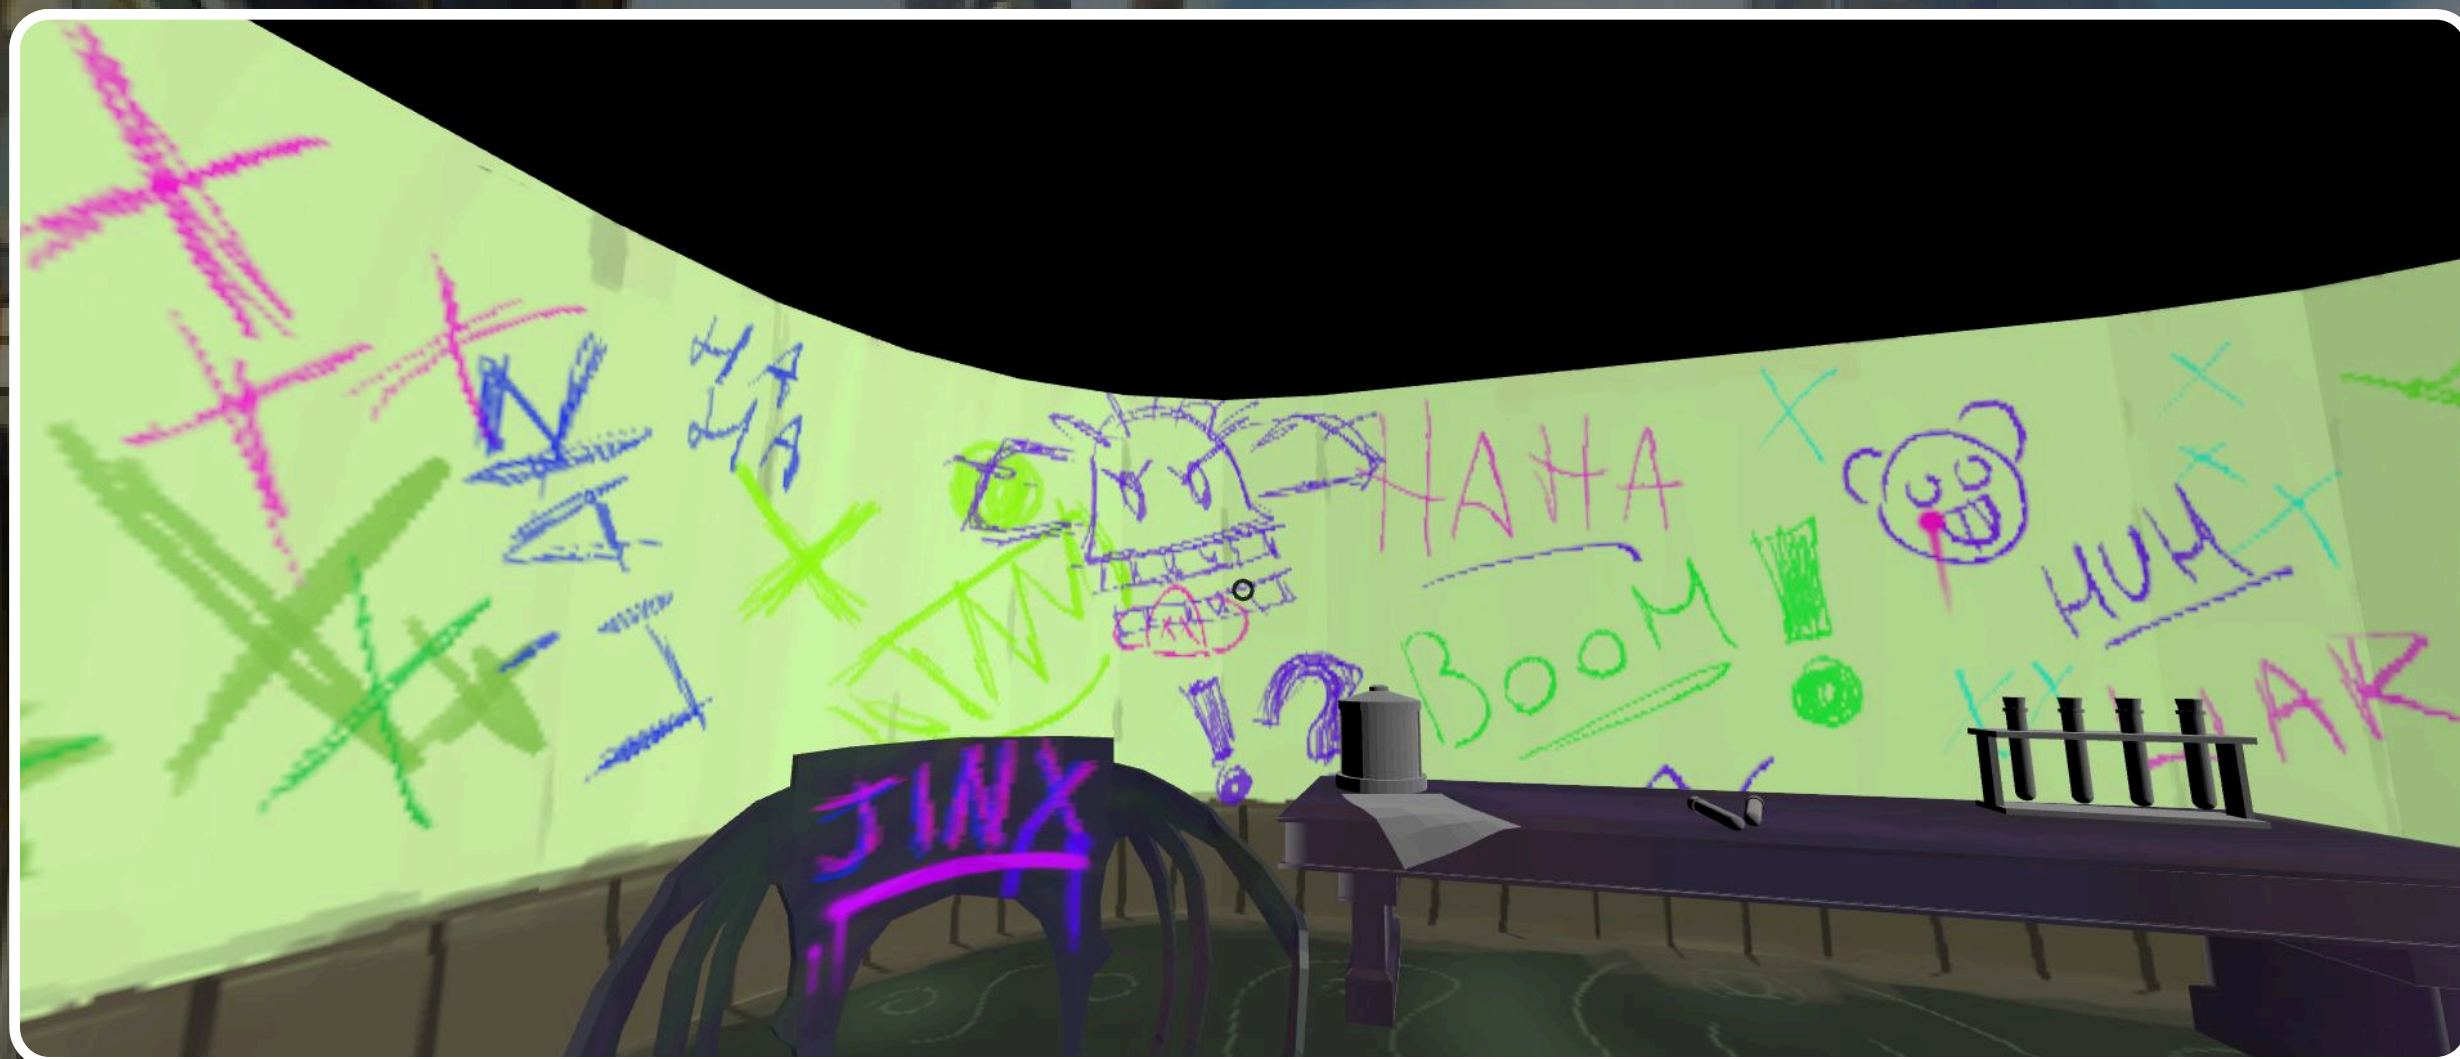

ARCANE

Concept

Le joueur se retrouve face à un bureau divisé en deux, reflétant la dualité entre Piltover et Zaun. Il doit faire un choix crucial entre le Shimmer et l'Hextech, sans bonne ou mauvaise réponse, seulement des conséquences qui le pousseront à s'interroger sur la nature du pouvoir et ses répercussions.
